

DC EMATIC SLIDING GATE SYSTEM

Power Supply	AC220-240V
Motor Power Supply	12-24VDC
Maximum Sliding Gate Weight	600 kg
Maximum Output Motor Speed	2800 rpm
Sliding Gate Speed	12 meter/s
Motor Weight	6.5kg
Safety Clutch	Auto-reverse electronic counter technology
Operating Temperature	-20°C to -110°C
Degree Of Protection	IP55
Manual Option	Release key during power failure

Note : All specifications may change without prior notice
